Mugasi Department

Sir,

I have the honor to state that the Pan pattigar of the Chattram located near the Wolalkere Railway Station has very hard work to do in attending to travellers getting down from the train and taking train at that station. He possesses some local influence and is of considerable use to travellers of all classes. His present pay 3 Rs: a month is I beg to submit quite inadequate considering the arduous duties he is every day called upon to perform.

2. I beg therefore to recommend that his pay be raised to 5 Rs:- per mensem, the increased cost being met from the allowance of the Chattrams

I have the honor to be
Sir,

His Letter No 177/18 dated 27th Ultimo, recommending that the pay of the Parpathigar of the chattram at Arehalli hatti near Holalkere may be raised from Rs 3 to Rs 5.

Has the honor to observe that any increase of the regular salary fixed for the Parpathigarship cannot be sanctioned as it will serve as an inconvenient precedent to-

Similar applications in the case of the other chattrams, where the new system of issuing raw rations to travellers has been introduced and for all of which a ~~new~~ uniform scale of Establishment charges has been fixed by Govt

2 But however in special consideration of the D C's report about the hard & diligent work of the Parvathigar of the Archalli-halli chattram ~~at Holalkere~~ the undersigned is to state that a personal allowance of R 1 a month may be granted to the present incumbent from out of the feeding allowance of the chattram, so long as he continues to discharge his duties satisfactorily

Sir,

I have the honor to state that the Government Chattram, located at Arehalli near the Holalkere Railway Station, has a monthly allowance of Rs 25-6- as per particulars noted in the margin

feeding is quite inadequate to meet the cost there of which has of late, increased owing chiefly the increased number of passenge by rail alighting at that station. There are no shops in the locality where the fatigued travellers might buy necessary articles of food. If they have to purchase they have to go to Holalkere down which is four miles off from the Railway station. The trains for both up and down, arrive at very inconvenient hours and for want of feeding in the Chattra travellers are subjected to much hardship

3 I request therefore that you will kindly move the Government to raise the Chattra allowance to Rs forty per mensem.

including Establishment charges,
the increased cost being met from
savings effected in other parts of
the Province, as no savings can be
effected in this District for this purpose

Submitted to Secretary

It is not usual to provide
the feeding of travellers
from Dt Funds Nor is this
one of the purposes for which
the local cess was ~~a~~ —
intended to be applied.
The proposal of I rightly —
understand it is this:
Take the Chattram over to the
management of the L. F.
Board with its present Murrai
Yasdik & supplement that
Yasdik with funds from
Dt Funds, and arrange
for feeding both Brahmins
& non-Brahmins - This does
not seem to deserve the

Note

The Deputy Commissioner was asked to report if the allowance of any other Chattram in the District, not much frequented by travellers, might be transferred to the Chattram at Arehallihatti (Holalkere Railway Station) in view to supplement the feeding Grant of the latter. But, in reply, he has reported that no Chattram in the District can be abolished without causing hardship to travellers.

In ~~these~~ circumstances ~~to meet the~~ Department is unable to provide ~~for~~ additional funds to the Chattram in question.
